A hand-drawn map of a land survey, likely from a historical document. The map is divided into 36 numbered lots, arranged in a grid-like fashion. The lots are numbered 1 through 36. The map includes several roads, labeled "ROAD" in various locations. The names of the owners of the lots are written in the center of the lots. The acreage of each lot is written in the bottom right corner of the lot. The map is drawn on a piece of paper with a grid pattern. The roads are drawn as lines, and the lots are drawn as rectangles. The names of the owners are written in a cursive script. The acreage is written in a simple, handwritten style. The map is a detailed representation of a land survey, showing the layout of the lots, the roads, and the ownership of the land.
